DEPARTMENT COMMANDER'S MESSAGE

Greetings from your Department Commander. Unfortunately, I was not able to be here during the first half of January, but the last half really finished out with a memorable tour of duty. To start with, I had the pleasure of being at the Capital during our Legislative Day. Had lunch with the Boys State Lt Governor and Girls State Governor as well as being extremely honored to be introduced to both the Senate and House of Representatives - what a highlight. Then it was on to Post 8 for a Legislative Committee meeting to go over the Veteran related bills being submitted this year. At the beginning of February, I was honored to attend the Four Chaplains Memorial at the Sturgis Veterans Center. There were many VSOs represented and boy what a strong show of support from the Black Hills area Legion Riders - great job guys!!!

As we've reached a bit more than halfway mark of the year, it's a perfect time to pause, reflect, and renew our focus on the mission that unites us—our American Legion Family's dedication to serving our communities. From supporting veterans to advocating for youth, this American Legion Family continues to demonstrate the power of unity, making a tangible difference in the lives of those who need it most.

Throughout the year, our members have stood as pillars of strength, often working behind the scenes to organize events, provide support, and lead efforts that reflect our values of service, loyalty, and respect. Whether its assisting veterans transitioning back to civilian life, providing scholarships for local students, or coming together for community service projects, our American Legion Family has always been a force for positive change. This commitment to service doesn't just impact on the lives of those directly involved, it strengthens the very fabric of our communities. Our shared efforts show that when we unite, we do more than make a difference. We inspire others to join us, creating a ripple effect of generosity, care, and resilience that extends far beyond our membership.

Not to take too much thunder away from the Membership Chairman but we are killing it when it comes to membership. We are now number one in the entire National American Legion lineup with 88.83%. So proud of you ALL!!!!

Looking ahead to the second half of the year, let's keep our momentum strong. We have already achieved so much, but there is always more to be done. Whether it's participating in a fundraiser, hosting a community event, or simply offering a helping hand, every action counts. As we continue to unite as a family, let's remember that our collective impact is immeasurable.

Kevin Morello, Department Commander
"Legion Family Uniting Communities"

SD LEGISLATIVE SESSION

The SD Legislature in session and The Legion needs your help. Below is the official position of the Department. Contact your legislators and let them know where we stand. Daily updates can be found at <https://sdlegion.org/legislative-bill-watch-list>

HB 1010 Title: Require cost model reports for certain programs and institutions. **Position:** *The Dept is monitoring this legislation.*

HB 1038 Title: Repeal provisions regarding the state payment for burial of veterans. **Position:** *The Dept opposes this legislation. This would repeal the state payment for burial of a Veteran and Headstone setting reimbursement putting an added burden on a Veteran's family following their passing.*

HB 1046 Title: Revise the General Appropriations Act for fiscal year 2025. **Position:** *The Dept is monitoring this legislation.*

HB 1068 Title: Allow students to wear certain military decorations at a school graduation ceremony. **Position:** *The Dept supports this legislation and asks that it be revised to include post-secondary graduations as well not just "A student who is enrolled in a school district". If passed into law this would allow service members to wear a sash, stole, or other military decoration at a school graduation ceremony to show their pride in taking a solemn oath to Defend this great nation.*

HB 1076 Title: Modify provisions pertaining to unethical conduct and improper collection of fees relating to assistance or referrals in a veterans benefits matter. **Position:** *The Dept supports this legislation. The American Legion stance is that only Dept of Veterans Affairs (VA)-accredited representatives, properly trained on correct processes and procedures in filing VA claims, should be authorized to file initial claims. We support legislation to restore criminal penalties for persons or companies, including those with foreign ownership, violating VA rules regarding representing or charging veterans fees to file, prepare or prosecute initial VA claims without VA accreditation. Additionally we urge legislation supporting the efforts of VA-accredited organizations, such as The American Legion, who provide appropriate and accurate representation for our nation's veteran. We oppose any legislation that would allow unaccredited parties to become legal representatives without completing the accreditation process. We ask the state attorney general, and state bar associations to identify and prosecute unaccredited individuals and private companies operating as legitimate veteran representatives to the fullest extent of the law. The*

American Legion supports this legislation.

HB 1084 Title: Provide free state park and recreation area admission to current and former members of the South Dakota National Guard and their spouses and dependents. **Position:** *The Dept is monitoring this legislation.*

HB 1160 Title: waive the driver license renewal period for members of the military and their families, and employees of the state Dept. **Position:** *The Dept is monitoring this legislation until further research can be done to ensure the language is in the best interest Military Service Member and their family.*

HB 1161 Title: allow additional forms to verify military service for a veteran designation on a commercial driver license or commercial learner's permit. **Dept Position:** *The Dept supports this legislation.*

HB 1162 Title: require the reporting of the number of veterans who die by suicide in this state. **Position:** *The Dept supports this legislation as it is in line with our Be the One Campaign.*

HB 1163 Title: make an appropriation for a grant to assist in the construction and equipping of a veteran's skilled trade center. **Position:** *The Dept is monitoring this until further research can be done to ensure the language is in the best interest of Veterans*

HB 1188 Title: allow nonresident military members to purchase three-day temporary nonresident waterfowl licenses. **Position:** *The Dept supports this legislation.*

HB 1198 Title: modify the tuition benefit for dependents and spouses of disabled and deceased veterans. **Position:** *The Dept fully supports this legislation and asks that the verbiage be changed from "bona fide resident of this state for the five-year period immediately preceding service" to "bona fide resident of this state for a five-year period."*

HCR 6002 Title: Urging the United States Congress and the President of the United States to remove the requirement of a project labor agreement for federal construction projects. **Position:** *The Dept is monitoring this until further research can be done to ensure the language is in the best interest Military Service Member*

SB 6 Title: Make an appropriation to support capital and infrastructure necessitated by the expansion of Ellsworth Air Force Base and to declare an emergency. **Position:** *The Dept fully supports this legislation. This would provide grants in support of capital and infrastructure projects that address community needs due to the projected expansion of Ellsworth Air Force Base and its personnel.*

SB 16 Title: Set aside certain contractor's excise tax collections relating to Ellsworth Air Force Base, to create a fund for the collections, and to provide an appropriation therefor. **Position:** *The Dept is monitoring this legislation.*

SB 52 Title: Authorize the expansion of the South Dakota Veterans Cemetery and make an appropriation therefor, and to declare an emergency. **Position:** *The Dept fully supports this legislation. This would appropriate general funds and other funds, to meet the federal requirement of the state to put forward state funds to qualify for a federal grant needed for expansion of the South Dakota State Veterans Cemetery.*

SB 82 Title: Require official declaration of war or other Congressional action before the SD National Guard may be deployed by the federal government. **Position:** *N/A killed in the Senate.*

SB 109 Title: permit a school district to implement a new or revised section 504 plan, individualized family service plan, or individualized education program for a student who is the child of an active-duty member of the United States armed forces. **Position:** *The Dept is monitoring this legislation until further research can be done to ensure the language is in the best interest Military Service Member and their family.*

SCR 603 Title: Supporting the establishment of a standardized system to recognize and award academic credit or certification for military service. **Position:** *The Dept fully supports this legislation. It calls for collaboration between relevant agencies to establish a framework for assessing military training and experience for civilian postsecondary credit and/or certification. Additionally, it calls for transparent procedures from all institutions for evaluating military training and experience and granting credit based on estab-*

lished standards. The American Legion believes Veterans should receive credit where credit is do.

SCR 604 Title: Supporting the expansion of transportation services for veterans receiving medical care in this state. **Position:** The Dept fully supports this legislation. This resolution urges the United States Dept of Veterans Affairs to expand the availability of transportation services for veterans seeking medical care, expand eligibility requirements for travel reimbursement to include veterans without a service-connected disability and for travel to any treatment at an approved facility.

MEMBERSHIP CHAIRMAN'S MESSAGE

🌸 Mid-Winter Conference Alert! 🌸

Hey Team, all members of the South Dakota American Legion, The Mid-Winter Conference is just a few days away, and I couldn't be more excited! February marks the start of the second half of the year, and as a team, South Dakota hangs in there. As of today, we're at **13,926 members**—just **114 members short** of our 90% goal that I set a while back. I need your help to reach that 90% mark. Let's make it happen! Here's the breakdown:

- **South Dakota:** 89.27% 🌸
- **France:** 88.77%
- **North Dakota:** 88.29%
- **Arizona 80.17%**

Congratulations and a huge thank you for all the support you've shown to me and the Legion this year. Let's take a moment to celebrate these small milestones and victories, but remember, our work is not done yet! 🎯

Our next big milestone is the **Big 12 Contest**. For those of you wondering, "What is the Big 12 Contest?" when South Dakota, along with all the other Departments, met in Indianapolis this last fall, we had to commit to a membership number to achieve by March 12, 2025. The contest is right around the corner, and we're in it to win it! There is \$2000.00 on the line for your Department. 🏆

As of today, we need **458 more members** to qualify and have a shot at winning the Big 12 back-to-back. Our friendly rivals are on the move:

- **North Dakota:** 92.21% (currently at 88.29%)
- **Kentucky:** 93% (currently at 79.46%)

To secure our victory, we need to hit that **92.2%** mark and ensure North Dakota and Kentucky stay below their thresholds. It's a thrilling race, but I know we've got the spirit to come out on top!

Let's keep pushing forward with the **Eye of the Tiger** spirit, and together, we'll achieve greatness!

See you all in Chamberlain February 14-16, 2025.

Go Team South Dakota! 🏆
