

Youth Trooper Academy

The South Dakota Youth Trooper Academy is a cooperative effort between the South Dakota Highway Patrol and the American Legion of South Dakota.

Our mission is to recruit young men and women from culturally diverse backgrounds from across the state of South Dakota, and to increase their understanding of the job of a state trooper. The program is designed to expose young adults to the demands of Highway Patrol Recruit training and to develop better relationships between the youth of our state and the Highway Patrol.

The Youth Trooper Academy is an intensive, one-week, residential learning experience for young adults who are entering their senior year of high school or have just graduated high school in 2025. The Youth Trooper Academy is held at the South Dakota Law Enforcement Training Academy in Pierre, South Dakota. The Youth Trooper Academy is not a summer camp and is not designed for troubled teenagers. The program is mentally and physically demanding. The Youth Trooper Academy utilizes a paramilitary approach to training, and discipline is strict. Candidates should be highly motivated, of good moral and ethical character, and have an interest in a career in law enforcement.

Veteran South Dakota Highway Patrol Troopers will serve as mentors and chaperones during the week. Troopers and members from other law enforcement agencies throughout the state of South Dakota will provide classroom and hands-on training in topics such as firearms safety, defensive driving, crash investigation, traffic stops, leadership, defensive tactics, and criminal law. Youth Academy Recruits will also get to experience demonstrations from the Highway Patrol's special operations section such as aircraft operation, SWAT, and Police Service Dogs.

Recruits that graduate from the program will be proud of their accomplishments. The lessons learned from this program will serve them well for years to come.
