NATIONAL COMMANDER'S MEMBERSHIP INCENTIVE PINS

National Commander Troiola has authorized two separate membership hat pins. The first is for any person that recruits three new members or previous member who were not members in 2022. The second hat pin is for anyone that recruits three previous members who were not members in 2022. These are national pins and must be applied for through National, not Department Headquarters. Auxiliary and SAL members are also eligible for this pin. Additional information for these pins can be found at www.legion.org/commander/pin and at www.legion.org/commander/vets-pin.

Children and Youth Fund Raiser Poster Update

A few weeks ago, a flier and letter about the 2023 South Dakota Children and Youth fundraiser was sent to each Post to distribute in their community outlining a method to make an online donation toward Children's Miracle Network and Youth Programs of the South Dakota American Legion, a portion of which would be sent to support the National Veterans and Children Foundation which is where the TFA (Temporary Financial Assistance) program is financed from for each state. On the bottom of the flier was a QR code that once scanned would take you to the donation page on the SDLegion website, Children and Youth page. It was found that the code published failed to work correctly. If you need to update the QR code, please contact headquarters. Each Legion Post, Auxiliary Unit, SAL

Squadron and Rider Chapter within SD was asked to hold a fundraiser to help raise funds for this 2023 C&Y fundraising goal, however if you do not wish to donate to this fundraiser, please direct your donations to the American Legion Veterans & Children Foundation. The American Legion Child Welfare Foundation (CWF) is not the same program and is not used to support the TAF program so please remember to support either the 2023 C&Y Fundraiser or the American Legion Veterans & Children Foundation. Thank you.

FALLEN HERO BRIDGE DEDICATIONS

South Dakota started a program in 2019 to honor Veterans killed in the line of duty by naming bridges in their honor. Following is a list of upcoming dedications. It would be great if Legionnaires in the area would attend to honor those who have fallen:

Nov 11, Capt Tommy Callies, Howard High School at 9:30 am
Nov 11, S2 Wayne, Wagner High School at 2:00 pm

AN IMPORTANT NOTE FROM THE DEPARTMENT SERVICE OFFICER

On August 10, 2022, President Joe Biden signed The Honoring our Promise to Address Comprehensive Toxins (PACT) Act into law. The PACT Act is a sweeping piece of legislation that covers multiple generations of Veterans. If any of the following conditions apply to you, we highly encourage all to file claims with their local trained and accredited Veterans Service Officer. You can find contact information for South Dakota's County and Tribal Veterans Service Officers here: <https://vetaffairs.sd.gov/veteransserviceofficers/locatevso.aspx>. For Gulf War-era and Post 9/11 Veterans who served in the Middle East or the airspace above, the following cancers and illnesses are now presumptive: Brain cancer, Gastrointestinal cancer of any type, Glioblastoma, Head cancer of any type, Kidney cancer, Lymphatic cancer of any type, Lymphoma of any type, Melanoma, Neck cancer of any type, Pancreatic cancer, Reproductive cancer of any type, Respiratory (breathing-related) cancer of any type, Asthma that was diagnosed after service, Chronic bronchitis, Chronic obstructive pulmonary disease (COPD), Chronic rhinitis, Chronic sinusitis, Constrictive bronchiolitis or obliterative bronchiolitis, Emphysema, Granulomatous disease, Interstitial lung disease (ILD), Pleuritis, Pulmonary fibrosis, and Sarcoidosis.

For Vietnam Veterans, the presumptive list for Agent Orange exposure now includes MGUS (blood disease) and Hypertension. Additionally, the PACT Act expanded the presumptive locations to include Any U.S. or Royal Thai military base in Thailand from January 9, 1962, through June 30, 1976; Laos from December 1, 1965, through September 30, 1969; Cambodia at Mimot or Krek, Kampong Cham Province from April 16, 1969, through April 30, 1969; Guam or American Samoa or in the territorial waters off of Guam or American Samoa from January 9, 1962, through July 30, 1980; and Johnston Atoll or on a ship that called at Johnston Atoll from January 1, 1972, through September 30, 1977.

Also included in the PACT Act is the Camp Lejeune Justice Act, which allows veterans who served at Camp Lejeune between August 1, 1953 and December 31, 1987 and their dependents to bring action in U.S. District Court for the Eastern District of North Carolina against the Department of Defense. Some individuals living at the base between 1953 and 1987 have developed

kidney cancer, multiple myeloma, leukemia and other forms of cancer after drinking water was found to contain a variety of toxic compounds. The American Legion is working with Bergmann & Moore, our legal representatives at the Board of Veterans Appeals, to create a Memorandum of Understanding to help Veterans and their families navigate this process. More to come as information is released.

We encourage the South Dakota American Legion family to disseminate this information amongst the ranks. If a Veteran has been denied in the past, they need to get into their local VSO and file an appeal. Raise awareness amongst widows of the new presumptive conditions and locations that have been added—if they had been denied or had not applied for Dependency and Indemnity Compensation in the past, they may be eligible now. The best thing a Veteran can do for another Veteran is help them connect to their benefits: Get them into their County or Tribal VSO and get the claim started.

DISABLED AMERICAN VETERANS HOSPITAL TRANSPORTATION NETWORK

This program assists getting veterans to important medical appointments. However, they are in need of volunteer drivers across the state. For more information on how to become a volunteer driver call the West River DAV Transportation Coordinator, Jack Post and follow the message prompts 605-720-7065 for the Black Hills VA Health Care System Network or call the East River DAV Transportation Coordinator, John Huntington 605-336-3230 ext. 6551 for the Sioux Falls VA Health Care System Network.

REMINDER TO ALL AMERICAN LEGION POSTS TO FILE IRS FORM 990

Federal tax regulations require every American Legion Post to file IRS form 990. This must be filled out by the 15th day of the fifth month after the end of your organizations accounting period. Many Posts which have less than \$50,000, the 990-N or online form can be used. If the IRS does not receive this form, they will revoke the tax-exempt status of the Post. To get your Tax-exempt status back you have to apply and pay a sizeable fee. This process takes time (months) and can challenge even the most patient of individuals. The form can be downloaded at <https://www.irs.gov/pub/irs-pdf/f990.pdf>.

DID YOU KNOW:

TO INCULCATE A SENSE OF INDIVIDUAL OBLIGATION TO THE COMMUNITY, STATE AND NATION... Always interested in building a better nation, the founders of The American Legion believed that such building must start first with the individual in his own community. So they made it one of the cardinal principles of The American legion to inculcate that sense of personal obligation to the community, state and nation into the individual citizen. That means educating the citizen-young, old and future-in his and her responsibility to be active in making the hometown a better place in which to live, in discharging the duty of voting in elections, in paying taxes promptly, in contributing to community chest funds and to blood banks. The word "inculcate" means "to impress by frequent admonitions" and "to enforce by frequent repetitions." Like the duties themselves, the reminders that they remain to be carried forward, are never finished.
